SETTING UP YOUR WULL TEAMSIDELINE ACCOUNT

If you already have a TeamSideline account from another organization (e.g., SFL), you may sign in using your same email address and password. Skip ahead to page 3 of these instructions.

If you are new to TeamSideline, create an account by clicking on the "Create a new account" link shown below.

Start by updating My Profile.

Complete all requested information and save. You will see a green message bar at the top of your Profile indicating that your profile has been updated.

Next, you will need to add additional Members to your account. To do so, go to the My Account drop-down menu on the left side of the screen, and select Members.

First, add any additional Parents that will be associated with the Player(s) you intend to register. Please note that any Parents added may have separate addresses, if applicable. Adding another Parent under your profile does not grant the other Parent access to your account; it simply serves as the means for recording additional contact information that the league will use in connection with the programs for which you are registering a player to participate.

Complete all requested information for each added Parent.

Next, add all children you intend to enroll in WULL for the upcoming season.
